## MULTI-LINE 2

## CD information

DEIF A/S · Frisenborgvej 33 · DK-7800 Skive · Tel.: +45 9614 9614 · Fax: +45 9614 9615 · info@deif.com · www.deif.com

Document no.: 4189340504B (UK)

**This document covers the following products:**

GPC  
GPU  
PPU  
BGC  
AGC  
MDR-2

The latest revision of the documentation for your DEIF product is available from the Download centre on [www.deif.com](http://www.deif.com).

Please contact [deif@deif.com](mailto:deif@deif.com) if you cannot find what you are looking for.

The screenshot shows the DEIF website's 'Download centre' page. On the left, a navigation menu lists various categories, with 'Download centre' selected and indicated by a red arrow. The main content area features a search bar containing the text 'GC-1F', with a red arrow pointing to it from a box labeled 'Product name'. Below the search bar, there are sections for checking documentation updates and compiling a list of document types. The footer includes the company name 'DEIF A/S', contact details, and a link to 'Terms of use'.

A CD-ROM with complete documentation can be ordered in the following ways:

1. Together with the product (as an option)      Free of charge
2. From DEIF's Customer Service department      Price: 10 EUR each

Please remember to have the following information ready when ordering:

- Product name
- Your name
- Address for shipment
- Number of CDs

The latest revision of the utility software for your DEIF product is available from the Download centre on [www.deif.com](http://www.deif.com).

Please notice that the version number of the utility software is the same as on your product.

*Example: Multi-line 2 Utility Software v.3.x can be used for multi-line 3.XX products.*

Please contact DEIF's Customer Service department if you cannot find what you are looking for.
